

## New rules effective February 1, 2012

The Board of Directors has approved new rules placing limits on certain vehicles operating on Fripp Island. This will affect owners, guests and renters who wish to transport golf carts, Low Speed Vehicles (LSVs) and All Terrain Vehicles (ATVs).

1. All ATVs, Mules, Gators and other similar off-road utility vehicles other than those subject to exceptions or which have been previously been registered with Fripp Security are barred from the Island. Operation of a vehicle of this kind on the Island will result in a Fripp Island citation accompanied by a fine of \$300.
2. Existing registration requirements for golf carts remain unchanged. All golf carts and LSVs must be registered and must display a current registration sticker that links the vehicle to you and the property you currently own. If you are in doubt about the validity of your registration sticker, please check with Security. All property owners are required to register their golf carts and LSVs at no charge. A Fripp Island citation accompanied by a fine of \$300 will be levied for any golf cart or LSV found to be unregistered.
3. All owners, guests and renters MUST register their golf cart or LSV within 24 hours of arrival on Fripp. **Guests and Renters must pay a fee of \$50 to obtain the registration. There will be a \$300 fine if the registration is not obtained.**
